

CARE & SUPPORT FOR SUBSTANCE ABUSE & ADDICTION DISORDERS

OPIOID TREATMENT PROJECT DIRECTORY: SUBSTANCE ABUSE & MENTAL HEALTH SERVICES ADMINISTRATION

The Substance Abuse & Mental Health Services Administration (SAMHSA) maintains a record of registered opioid treatment facilities in each state.

A record of [Michigan locations](#), including practitioners who specialize in [buprenorphine treatment](#), is available at [SAMSHA.gov](#).

HELP NAVIGATING TREATMENT: REHAB SPOT

Rehab Spot is a treatment navigation service for substance abuse and addiction. Representatives assist callers with finding a treatment providers in their area, through a hotline service and call-back option. Rehab Spot also provides an interactive map of treatment centers across the U.S.

For more information, visit [RehabSpot.com](#) or [call 877-648-4288](#).

SUPPORT FOR FAMILIES FACING ADDICTION: HERREN PROJECT

The Herren Project is a non-profit that hosts free, virtual support groups for people who have a loved one experiencing addiction. The meetings are held by licensed clinicians and serve as both a place to offer and get support, learn important skills, and address self care.

Visit [HerrenProject.org](#) or [call 844-543-8555](#) for support.
