**SUBJECT:** Budget Carry Forward Request

**DATE:** August 7, 2025

At the end of each fiscal year there are business transactions and initiatives in varying degrees of completion. Some of the items have outstanding contracts/purchase orders and other items are in various stages of progress. Attached is a proposed resolution to carry forward budget from fiscal year 2025 to 2026 for funding the completion of these items. There is also a detailed work paper that supports the resolution. The total amount of the budget carry forward request for all funds is \$5,275,775.

Several of the items include activities in-progress and various one-time or capital purchases. Approximately \$3.05 million of the dollar amount is associated with Vehicles for the Department of Public Works, Water, Sanitation, and Fire. \$724 thousand of General Fund requests are applicable to the annual Street Sweeper Lease, and Payroll audit.

Much of this activity was discussed during the budget process and internally agreed that budget requests would not be duplicated for the fiscal year 2026 budget, and that the incomplete items would be best addressed with the carry forward process to the extent necessary. Immediate effect is requested for this item, to facilitate the timely payment to vendors and no interruption in the delivery of service.

We are working with the only vendor that is approved by the State of Michigan to handle the scanning and destruction of court records. There is approximately 150 boxes of records that must be kept in accordance with SCAO guidelines. This project should have been completed within this fiscal year, however, during the process we discovered that our OnBase (the program that the city uses to store scanned documents) has not been updated and we can not use it to store the digitized records. This caused us to delay the project until IT can rebuild our OnBase from the ground up. ## FINANCE DEPARTMENT

**TO:** City Council  
**FROM:** Hisham Jundi, Accountant II  
**VIA:** Mayor Abdullah H. Hammoud  
 Michael Kennedy, Finance Director / Treasurer  
**SUBJECT:** Land for Resale Lower of Cost or Market Adjustment  
**DATE:** August 07, 2025

Generally Accepted Accounting Principles (GAAP) require that an adjustment be made when the market value of land inventory is lower than its cost. As a result, the City's auditors, Plante & Moran, mandate that the market value of land inventory be assessed annually at the end of the fiscal year.

In fiscal year 2025, the historical cost of the land held for resale in the General Capital Improvement Fund is \$14,541,260.03. This amount includes both the purchase price of the land and the costs incurred to enhance the property's value.

Lower of Cost or Market	Fund 401
Ending Balance June 30, 2024	\$3,964,942.47
Additions (Land Purchases)	2,887,373.25
Disposals (Land Sales)	(113,875.10)
Unadjusted Ending Balance June 30, 2025	\$6,738,440.62
Adjusted Lower of Cost or Market Balance	\$5,849,845.06
Required Adjustment	(\$888,595.56)

The lower of cost or market (LCM) value of this land for resale for FY2025 is \$5,849,845.06. This results in a required decrease of \$888,595.56 in the book value of the land inventory. The LCM analysis compares the cost of each property with its lowest market value since the City purchased it. The adjustment to the land inventory is a **non-cash entry** that reflects the unrealized decrease in the General Capital Improvement Fund.

It is requested that the Finance Director be authorized to appropriate this expense in the General Capital Improvement Fund for FY2025 for \$888,595.56 to account for the unrealized decrease in the value of the land inventory. Since this matter pertains to FY2025, immediate action is requested for this budget adjustment.

**LAW****EXECUTIVE SUMMARY AND MEMORANDUM**

---

**TO:** City Council

**FROM:** Corporation Counsel

**VIA:** Mayor Abdullah H. Hammoud

**SUBJECT:** Kiwanis Club of Dearborn request to solicit contributions in the public roadway

**DATE:** July 29, 2025

---

**I. REQUEST:**

On July 13, 2025, Kiwanis Club of Dearborn submitted a letter to City Council requesting approval for the sale of peanuts in the public roadway on September 4, 5, 6 and 7, 2025, from 7 a.m. to 7 p.m. (See Attachment 1). This request was made as part of the Kiwanis Club's annual peanut sale to raise funds for local community-based projects benefiting those in need.

**II. BACKGROUND:**

MCL 257.676b regulates solicitations in roadways by charitable and civic organizations. Under the state law, local municipalities that previously enacted or were enforcing solicitation regulations (like Dearborn) had to bring their local regulations into compliance with state law.

In 2017, the City adopted Code of Ordinances Section 18-559, which incorporated the changes to state law. Under local ordinance, charitable and civic organizations seeking to solicit contributions in the public roadway must do the following:

1. The solicitation cannot occur on a limited access highway;
2. City Council must approve the solicitation by resolution;
3. The charitable/civic organization must maintain at least \$500,000 in liability insurance;
4. The organization must be non-profit/tax-exempt organization as defined by the IRS;
5. The persons soliciting contributions must be 18 years of age or older;
6. The persons soliciting contributions must wear high-visibility safety apparel that meets current American standards promulgated by the International Safety Equipment Association; and
7. The portion of the roadway upon which the solicitation occurs cannot be a work zone and must be within an intersection where traffic control devices are present.

**LAW**

## EXECUTIVE SUMMARY AND MEMORANDUM

---

As it pertains to the Kiwanis Club's request:

1. City Council and approved previous requests by the organization for their annual roadway peanut sale;
2. The organization has been recognized as a tax-exempt, non-profit organization by the IRS since 1996 (See Attachment 1);
3. It has provided proof of liability insurance;
4. It has been notified and is aware of the legal requirements of solicitors working in the roadway and other restrictions outlined in both MCL 257.676b and Ord. Sec. 18-559.

Based on the foregoing, it is recommended that Council pass a resolution allowing The Kiwanis Club of Dearborn to conduct its Annual Peanut Sale on September 4, 5, 6 and 7, 2025, from 7 a.m. to 7 p.m. subject to the following restrictions (which have been adopted in previous Council resolutions for this event):

1. The solicitation cannot occur on a limited access highway;
2. No person shall engage in any solicitation activity that blocks, obstructs, impedes, or otherwise interferes with the normal flow of traffic;
3. There shall be no solicitation when traffic is moving at any speed;
4. If an intersection has a traffic light, there shall be no solicitation when the traffic signal is green;
5. All persons soliciting contributions must be out of the roadway when traffic is moving at any speed or when the traffic signal is green;
6. Donations shall not be accepted if traffic is moving or the traffic signal is green;
7. Persons soliciting contributions should do so outside the improved portion of the roadway whenever possible or practical;
8. The persons soliciting contributions must wear high-visibility safety apparel that meets current American standards promulgated by the International Safety Equipment Association; and
9. The portion of the roadway upon which the solicitation occurs cannot be a work zone and must be within an intersection where traffic control devices are present.

(See proposed Resolution, Attachment 3).

*Serving Dearborn, Dearborn Heights & Surrounding  
Communities for 97 Years*

July 13, 2025

Dear City Council:

Celebrating our 96th year, the Kiwanis Club of Dearborn will hold its annual Peanut Street Sales September 4, 5, 6, 7, 2025. For 60+ years the funds raised by our Peanut Sales have gone directly to support numerous community service projects and local organizations that benefit our community's youth, the elderly and the disadvantaged.

Our focus is on helping children of all ages and to that end we support Key Clubs in six local High Schools, Henry Ford Earl College and Stout Middle School. These students spend many hours doing community service, learning about the real world, and developing needed skills to be responsible

Over the years our Peanut Sales have evolved from a street corner sale to mostly storefront sales. In fact, there are only six or seven intersections in the city that we still use for the annual event. Most of our members now elect to solicit donations in front of established businesses. We always request permission from the business owners and have been wonderfully supported by the Dearborn business establishments. In 2018 the Kiwanis Club of Dearborn was again the #1 club from the surrounding states in revenue from our peanut sales. We are very proud of this accomplishment and are working towards that goal again for 2025.

**We are requesting permission from the City of Dearborn and the Dearborn City Council to sell peanuts on the streets of Dearborn from 7 am to 7 pm on September 4, 5, 6, 7, 2025, as we have done for many years.**

### **Summary of Request**

On July 15, 2025, the City of Dearborn received a communication from the Michigan Attorney General's Office concerning participation in eight new proposed opioid settlements that have been reached with Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus.

Based upon subdivision participation forms received on or before October 8, the subdivision participation rate will be used to determine whether participation for each deal is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, then the release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds.

The Department of Law has reviewed the New National Opioid Settlements and the required participation forms and recommends that Council authorize the Mayor or his designee to execute the participation forms as provided by the Michigan Attorney General's Office to complete the registration process for the City so that it can be considered a participating subdivision.

Immediate effect is requested.

Rubris Reference Number: CL-1766913

**TO LOCAL POLITICAL SUBDIVISIONS AND SPECIAL DISTRICTS:  
THIS NOTICE CONTAINS IMPORTANT INFORMATION ABOUT NATIONAL OPIOID  
SETTLEMENTS.**

**SETTLEMENT OVERVIEW**

Proposed nationwide settlement agreements ("Settlements") have been reached that would resolve opioid litigation brought by states, local political subdivisions, and special districts against eight opioids manufacturers, Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus (the "Manufacturers"). Local political subdivisions and special districts are referred to as "subdivisions."

The Settlements require the settling Manufacturers to pay hundreds of millions of dollars to abate the opioid epidemic. The Settlements will provide a maximum of approximately \$720 million in cash to participating states and subdivisions to remediate and abate the impacts of the opioid crisis. Depending on participation by states and subdivisions, the Settlements require:

- Alvogen to immediately pay up to approximately \$19 million;
- Amneal to pay up to approximately \$74 million over 10 years, and to provide either approximately \$177 million of its generic version of the drug Narcan or up to an additional approximately \$44 million in cash;
- Apotex to immediately pay up to approximately \$65 million;
- Hikma to immediately pay up to approximately \$98 million, and to provide either approximately \$35 million of its naloxone product or up to an additional approximately \$7 million in cash;
- Indivior to pay up to approximately \$75 million over five years, a portion of which, at the election of the state, could be paid in the form of Indivior's branded buprenorphine and/or nalmefene products with a value of up to \$140 million.;
- Mylan to pay up to approximately \$290 million over nine years;
- Sun to immediately pay up to approximately \$32 million; and
- Zydus to immediately pay up to approximately \$15 million.

The Settlements also contain injunctive relief governing opioid marketing, sale, distribution, and/or distribution practices and require the Manufacturers to implement safeguards to prevent diversion of prescription opioids.

Each of the proposed settlements has two key participation steps.

**First**, each eligible state decides whether to participate in each Settlement. A list of participating states for each settlement can be found at <https://nationalopioidsettlement.com/>.

**Second**, eligible subdivisions within each participating state decide whether to participate in each Settlement. The more subdivisions that participate, the more funds flow to that state and its subdivisions. Any subdivision that does not participate cannot directly share in any of the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. If the state does not participate in a particular Settlement, the subdivisions in that state are not eligible to participate in that Settlement.

## **WHO IS RUBRIS INC. AND WHAT IS THE IMPLEMENTATION ADMINISTRATOR?**

The Settlements provide that an Implementation Administrator will provide notice and manage the collection of participation forms. Rubris Inc. is the Implementation Administrator for these new Settlements and was also retained for the prior national opioid settlements.

## **WHY IS YOUR SUBDIVISION RECEIVING THIS NOTICE?**

Your state has elected to participate in one or more of the Settlements, and your subdivision may participate in those Settlements in which your state has elected to participate. This notice is also sent directly to counsel for such subdivisions if the Implementation Administrator has their information.

*If you are represented by an attorney with respect to opioid claims, please contact them.*

**Subdivisions can participate in the Settlements whether or not they filed a lawsuit or are represented.**

## **WHERE CAN YOU FIND MORE INFORMATION?**

Detailed information about the Settlements, including each settlement agreement, may be found at: <https://nationalopioidsettlement.com>. This website also includes information about how the Settlements are being implemented in most states and how funds will be allocated within your state.

You are encouraged to review the settlement agreement terms and discuss the terms and benefits with your counsel, your Attorney General's Office, and other contacts within your state. Information and documents regarding the Settlements and your state allocation can be found on the settlement website at <https://nationalopioidsettlement.com/>.

Your subdivision will need to decide whether to participate in the proposed Settlements, and subdivisions are encouraged to work through this process before the **October 8, 2025** deadline.

## **HOW DO YOU PARTICIPATE IN THE SETTLEMENTS?**

The Settlements require that you take affirmative steps to "opt in" to the Settlements.

In the next few weeks, you will receive documentation and instructions from the Implementation Administrator or, in some cases, your Attorney General's Office. In order to participate in a settlement, a subdivision must sign and return the required Participation Form for that settlement.

Please add the following email addresses to your "safe" list so emails do not go to spam / junk folders: [dse\\_na3@docusign.net](mailto:dse_na3@docusign.net) and [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com). All required documentation must be signed and returned on or before **October 8, 2025**.

National Opioid Settlement: Purdue Pharma L.P.  
Rubris Reference Number: CL-1735937

***TO LOCAL POLITICAL SUBDIVISIONS:  
THIS NOTICE CONTAINS IMPORTANT INFORMATION ABOUT A NEW  
NATIONAL OPIOID SETTLEMENT.***

**PURDUE PHARMA L.P. & SACKLER FAMILY SETTLEMENT OVERVIEW**

A proposed nationwide settlement agreement has been reached with Purdue (and certain of its affiliates) and the Sackler family concerning alleged misconduct related to opioids.

The proposed settlement is being implemented in connection with Purdue's bankruptcy proceedings, and consists of, among other things, a settlement of Purdue's claims against the Sacklers and certain other parties (referred to as the "Estate Settlement"), and a settlement of direct claims against the Sacklers held by States, local governments and other creditors (the "Direct Settlement", and together with the Estate Settlement, the "Settlement"). The Settlement contemplates that the Sacklers will be paying an aggregate of \$6.5 billion in 16 payments over 15 years, including \$1.5 billion on the settlement's Effective Date (expected to be in 2026), though some amounts are subject to discounted prepayments. These amounts are in addition to amounts available from the Purdue estate including amounts available on the Effective Date (expected to be around \$900 million) and amounts that may be paid in the future.

The Settlement also contains injunctive relief governing opioid dispensing practices and requires the successor-in-interest of Purdue Pharma L.P. to implement safeguards to prevent diversion of prescription opioids, and also restrict certain Sacklers from directly or indirectly engaging in the manufacturing or sale of opioids, as detailed in the Settlement.

The proposed settlement has two key participation steps now that **all eligible states and territories elected to participate in the Direct Settlement.**

**First**, eligible subdivisions within each participating state decide whether to participate in the Direct Settlement. The Direct Settlement is documented in the Governmental Entity and Shareholder Direct Settlement Agreement, which is commonly referred to as the "GESA". The more subdivisions that participate, the more funds flow to that state and its subdivisions. Any subdivision that does not participate cannot directly share in any of the Direct Settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds.

**YOU MUST PARTICIPATE IN THE DIRECT SETTLEMENT BY RETURNING YOUR PARTICIPATION FORM IN ORDER TO RECEIVE THE BENEFITS OF THE SETTLEMENT.**

**Second**, concurrently with the solicitation of eligible subdivisions to participate in the Direct Settlement, votes will be solicited for approval of Purdue Pharma L.P.'s bankruptcy plan, which plan will provide distributions in respect of the Estate Settlement. NOT ALL SUBDIVISIONS ELIGIBLE TO PARTICIPATE IN THE SETTLEMENT WILL RECEIVE PACKAGES TO VOTE ON THE PLAN.

**Please note that this is NOT a solicitation or a request for subdivisions to submit votes on the Purdue bankruptcy plan. This settlement package only pertains to a decision to participate in the Direct Settlement with the Sacklers.**

If you receive a package to vote on the plan you should follow the applicable instructions for voting. PLEASE NOTE THAT VOTING ON THE PLAN IS SEPARATE FROM PARTICIPATION IN THE DIRECT SETTLEMENT. **IT IS NOT NECESSARY TO VOTE ON THE PLAN IN ORDER TO RECEIVE THE BENEFITS OF THE SETTLEMENT.**

### **WHO IS RUBRIS INC. AND WHAT IS THE IMPLEMENTATION ADMINISTRATOR?**

The Direct Settlement provides that an Implementation Administrator will provide notice and manage the collection of participation forms. Rubris Inc. is the Implementation Administrator for the Direct Settlement and was also retained for the prior national opioid settlements.

### **WHY IS YOUR SUBDIVISION RECEIVING THIS NOTICE?**

Your state has elected to participate in the Settlement, and therefore your subdivision may participate in the Direct Settlement. This notice is also being sent directly to counsel for such subdivisions if the Implementation Administrator has their information.

*If you are represented by an attorney with respect to opioid claims, please contact them.* **Subdivisions can participate in the Settlement whether or not they filed a lawsuit or are represented.**

### **WHERE CAN YOU FIND MORE INFORMATION?**

Detailed information about the Settlement, including each settlement agreement, may be found at: <https://nationalopioidsettlement.com/purdue-sacklers-settlements/>. This website will be updated to include information about how the Settlement is being implemented in most states and how funds will be allocated within your state.

You are encouraged to review the terms of the settlement agreements and discuss the terms and benefits with your counsel, your Attorney General's Office, and other contacts within your state.

Your subdivision will need to decide whether to participate in the proposed Settlement, and subdivisions are encouraged to work through this process before the **September 30, 2025** deadline.

### **HOW DO YOU PARTICIPATE IN THE SETTLEMENT?**

The Settlement requires that you take affirmative steps to "opt in" to the Settlement.

In the next few weeks, you will receive documentation and instructions from the Implementation Administrator. In order to participate in the settlement, a subdivision must sign and return the required documentation.

Please add the following email addresses to your "safe" list so emails do not go to spam / junk folders: [dse\\_na3@docusign.net](mailto:dse_na3@docusign.net) and [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com). **COMPLAINT AND NOTICE OF REMOVAL UNDER 28 U.S.C. §§ 1331 &  
1443(1)**

Plaintiff Hassan Aoun, appearing pro se, hereby removes to this Honorable Court all ongoing municipal prosecutions initiated against him in the 19th District Court, asserting jurisdiction under 28 U.S.C. §§ 1331 and 1443(1), and states as follows:  
1. Plaintiff is a resident of Dearborn, Michigan, and is a registered voter, community advocate, and public critic of Dearborn officials.

**2. Defendants include:**

- The City of Dearborn
- The Dearborn Prosecutor's Office
- The Dearborn Police Department
- The Dearborn Law Department
- Unknown Officers involved in Plaintiff's arrests
- The 19th District Court of Michigan**

3. Plaintiff has been cited and arrested under City of Dearborn Ordinance Sec. 14-131 ("breach of peace") on multiple occasions for constitutionally protected conduct, including public speech during city council meetings and peaceful presence at public events.

**4. These charges include:**

- April 9, 2024: Arrest during public comment.
- April 23, 2024: Arrest for playing an audio recording during public comment.
- April 23, 2025: Amended complaint filed by the City of Dearborn adding retaliatory charges based on the same 2024 conduct. These charges represent continued escalation in response to Plaintiff's prior public speech and constitutionally protected activity.
- July 4, 2025: Citation issued after Plaintiff complied with police instructions and entered his vehicle. See Exhibit G.

5. All charges arise from Plaintiff's exercise of First Amendment-protected speech, political expression, and public advocacy.

6. Plaintiff has been fingerprinted for ordinance violations punishable by no more than 90 days, in violation of MCL § 28.243, and the Fourth Amendment. At the time of fingerprinting, Plaintiff presented valid government-issued identification. There was no legal or practical necessity to fingerprint Plaintiff. See Exhibit F.

7. Once a person is fingerprinted in connection with a criminal charge, the matter becomes recordable in state databases, and cannot lawfully remain under the exclusive handling of a municipal or city attorney for prosecution. Fingerprinted matters must be referred to the appropriate county prosecuting authority. In this case, the City Attorney and Law Department continued to pursue ordinance citations in municipal court despite fingerprinting, in violation of state procedure and due process. Ordinance violations are not fingerprintable offenses. See **Exhibit F**.

8. In 2024, Plaintiff filed a change of venue request due to the judge's clear conflict of interest and familiarity with the witnesses. The judge denied the request, resisted

it through procedural obstacles, and demonstrated favoritism toward city officials acting as if he were untouchable and immune from accountability. Plaintiff has done everything within his legal power to seek a fair trial. He does not want a jury trial but is being forced into one because he does not trust the judge to conduct a fair and impartial bench trial.

9. Plaintiff is not seeking a jury trial; rather, he prefers a fair and impartial bench trial before a judge who understands the constitutional dimensions of the case. However, in the 19th District Court, Plaintiff cannot obtain a bench trial because the assigned judge is not impartial. Plaintiff is forced into a jury trial, despite his concerns that a jury may not fully understand the complex constitutional violations at issue. Plaintiff cannot trust the judge to rule fairly; the judge is biased, refuses to transfer venue, and refuses to disqualify himself even though he personally knows the material witnesses. Plaintiff was arrested during public comment at a city council meeting where many of the witnesses including police and city officials were present and known to the court. Under law, a judge who knows the witnesses in the case must disqualify himself to preserve impartiality, yet this judge has refused. Plaintiff has no confidence in the fairness or legality of proceedings in the 19th District Court and is genuinely afraid of being wrongfully convicted. His constitutional rights are being violated, and the only forum where he can receive justice and protection is the United States District Court.

10. Plaintiff submitted a formal dismissal request on July 7, 2025, to the Mayor, Prosecutor, Law Department, and Chief of Police. He clearly explained that he left the scene peacefully on July 4, 2025, entered his vehicle, and the matter was de-escalated. Nevertheless, the City retaliated by issuing a citation hours later. On July 7, 2025, Plaintiff also discovered that a new charge had already been added for the July 4, 2025 incident before arraignment was even scheduled. In that same formal legal notice, Plaintiff gave the Chief of Police and city officials five (5) calendar days to voluntarily and unconditionally dismiss the retaliatory citation with prejudice. Plaintiff informed them that video evidence exists showing that a Dearborn Police Officer clearly stated: "Get inside your car or we're going to arrest you." Plaintiff complied immediately, entered his vehicle, and left peacefully. Despite full and lawful compliance, the citation was issued solely because Plaintiff exercised his First Amendment rights. The letter further outlined that this act constitutes viewpoint discrimination and retaliation in violation of the First and Fourteenth Amendments, 42 U.S.C. § 1983, 28 U.S.C. § 1331, and 28 U.S.C. § 1443(1). The letter also made clear that selective enforcement had occurred, noting that others in Dearborn had chanted "Death to America" with no citations issued. On July 8, 2025, while reviewing the docket, Plaintiff saw that an

arraignment and fingerprinting were scheduled for July 25, 2025 confirming the City's refusal to dismiss the charges. The citation was issued under the direct authorization of the Chief of Police, who had full knowledge of the circumstances and approved the retaliatory enforcement. Plaintiff gave every opportunity to correct the situation, yet the citation remained and arraignment was scheduled. See Exhibit I and attached email correspondence with the Chief of Police and docket entry dated July 8, 2025.

11. The continued prosecution is retaliatory, not rooted in law or justice, and violates Plaintiff's rights under the First, Fourth, and Fourteenth Amendments.

12. Plaintiff further states that the Dearborn Prosecutor's Office and Law Department are fully aware that the ordinance charges are unconstitutional, yet they refuse to dismiss them. The Law Department continues to participate in legal retaliation against Plaintiff's protected expression.

13. Plaintiff has exhausted every possible remedy in state court. He has been denied a venue change, denied impartial adjudication, and ignored despite complying with lawful orders and filing every motion in good faith.

14. The United States District Court is the only forum capable of safeguarding Plaintiff's federal rights. Plaintiff respectfully requests that a federal judge take full supervisory control over this matter, oversee all pending issues, and determine the legality of the ordinance and related enforcement actions.

15. Plaintiff requests that the federal judge issue a formal ruling declaring Ordinance Sec. 14-131 unconstitutional as applied in this case, declare that fingerprinting for ordinance charges punishable by 90 days or less violates MCL § 28.243 and the Fourth Amendment, and order the dismissal of all pending charges as unlawful retaliation for protected conduct.

16. Plaintiff relies upon MCL § 28.243 which prohibits fingerprinting for misdemeanors not punishable by more than 92 days, and asks this Court to declare any fingerprinting orders issued for ordinance citations as unlawful.

17. Plaintiff further cites *Houston v. Hill*, 482 U.S. 451 (1987), in which the U.S. Supreme Court held that a city ordinance criminalizing verbal opposition to police officers violated the First Amendment because it was substantially overbroad and

targeted constitutionally protected speech. This precedent was reaffirmed by the Michigan Supreme Court in *People v. Rapp*, 492 Mich. 67 (2012), where the Court struck down Michigan State University Ordinance § 15.05 for facial overbreadth. The Court found that language prohibiting the disruption of the 'normal activity' of any person performing services for MSU was constitutionally indistinguishable from the overbroad ordinance invalidated in *Hill*. The Court concluded that the ordinance criminalized a substantial amount of protected speech and granted police and university officials excessive discretion to arrest or cite individuals for mere verbal expression. Accordingly, Plaintiff argues that the same First Amendment protections and overbreadth principles apply in this case to invalidate Dearborn Ordinance Sec. 14-131, which similarly grants law enforcement unfettered discretion to cite individuals engaged in protected speech. because it was substantially overbroad and targeted constitutionally protected speech. Plaintiff also cites *Papineau v. Parmley*, 465 F.3d 46 (2d Cir. 2006), where the Second Circuit held that law enforcement officials could be liable under 42 U.S.C. § 1983 for arresting individuals in retaliation for engaging in peaceful protest activity protected by the First Amendment. Plaintiff also cites Michigan case law recognizing similar principles, including *People v. Rapp*, 492 Mich. 67 (2012), which reaffirmed that content-based restrictions on speech are subject to strict scrutiny under both the Michigan and U.S. Constitutions, and *People v. Cohen*, 217 Mich. App. 70 (1996), which invalidated selective enforcement practices that punish protected expression under the guise of neutral ordinances.

18. This Notice of Removal is timely and proper under 28 U.S.C. § 1446(b), as it is filed within thirty (30) days of Plaintiff receiving notice of the new ordinance charge issued on July 4, 2025, and the related fingerprinting order. Under federal law, removal under 28 U.S.C. § 1443(1) is permitted where a prosecution seeks to violate federally protected civil rights under color of state law, and this new citation constitutes an actionable and retaliatory event within the statutory 30-day removal period. Plaintiff discovered this information while reviewing the public Registry of Actions online, where it showed that arraignment and fingerprinting had been scheduled for July 25, 2025. See Exhibit G and Exhibit I.

19. Because the state court has failed to provide fair process or respect Plaintiff's rights, removal is not only proper, but necessary.

**NOTICE UNDER 28 U.S.C. § 1446(d):**  
Pursuant to 28 U.S.C. § 1446(d), Plaintiff will promptly serve a copy of this Notice of Removal upon the Clerk of the 19th District Court and all adverse parties. Upon such filing and notice, the state court proceedings are required to be stayed and the 19th District Court is divested of jurisdiction over the removed matters. Any further action in the 19th District Court would be void unless and until this federal court remands the case.

**WHEREFORE, Plaintiff requests:**

• Immediate production of discovery materials and full evidentiary record from all underlying ordinance cases brought against Plaintiff in the 19th District Court, including but not limited to the following case numbers:

- 2024-24C41320OM-OM
- 2024-24C41319OM-OM
- 2024-24C41416OM-OM
- 2025-25C43574OM-OM
- 2025-25C44133OM-OM

Such discovery shall include all police reports, officer narratives, bodycam or surveillance video, dispatch audio, internal communications, citation logs, docket entries, fingerprinting orders, and any other materials used or reviewed by law enforcement or prosecutors;

- Immediate removal of all charges
- Stay of proceedings in the 19th District Court
- Entry of an order allowing Plaintiff to proceed pro se
- Declaratory judgment that the enforcement of Ordinance Sec. 14-131 in this context is unconstitutional
- Declaratory judgment that fingerprinting for these offenses violates MCL § 28.243 and the Fourth Amendment
- Dismissal of all municipal ordinance charges currently pending against Plaintiff
- Permanent prohibition against fingerprinting individuals for non-fingerprintable ordinance violations under MCL § 28.243(13), including where individuals have provided valid identification at the time of citation or arrest. Fingerprinting under these circumstances places an unjust and unconstitutional burden on individuals by unnecessarily creating permanent criminal records for offenses that the law does not authorize to be treated in such a manner. Under Michigan law, fingerprinting is strictly prohibited for any offense punishable by 90 days or less, including all

ordinance violations classified as misdemeanors not exceeding the 92-day threshold.

- Full supervisory jurisdiction and final ruling by the assigned United States District Court Judge on the constitutionality of the ordinance and enforcement actions
- Any and all further relief this Court deems just and proper

Ofc Lappin / Ofc Otto / Chief Shahin

Disturbing the peace / Fail to obey

Location: 16901 Michigan Dearborn Administrative Center

Arrested: Hassan Aoun [REDACTED] /M [REDACTED]

Officers were on patrol while being present for the Dearborn City Council meeting at 16901 Michigan. During the meeting, Hassan Aoun claimed his time and began a speech on a matter regarding the city.

Aoun continued to raise his voice and become irate towards city council members. Aoun was unable to cooperate with the procedures during the meeting and started using vulgar language. Aoun advised the council members to "lick my balls from the back". City Council President Sareini asked Aoun to leave but Aoun refused to do so.

As the obscene conduct continued, Chief Shahin, Ofc Otto and I (Ofc Lappin) made contact with Aoun at the podium. Officers advised on Aoun on his behavior and advised that his breach of peace will not be tolerated. Aoun stated he will not leave and continued to advise officers on his right to speak during his three minutes for the council meeting.

Aoun was instructed by officers to leave, and he again refused. Aoun backed away from officers and stated, "don't touch me". Chief Shahin instructed Aoun to leave or he will be placed under arrest. Aoun continued not to cooperate with officers. Ofc Otto then placed Aoun under arrest for disturbing the peace and fail to obey. Aoun was handcuffed behind the back (TC/DL) and escorted outside of the building. Aoun was searched with negative results and secured in the back of our patrol vehicle and transported to the station for booking procedures.

At the station, Aoun was searched and walked through the metal detector (negative results). Aoun was assigned cell #03 and his property was secured in locker #03 (\$605 Cash in safe). Aoun was turned over to jail personnel. Sgt Fries of Pos 1 was advised and set a bond of \$1000.

Aoun posted bond and his property was returned to him at 2150 hours (D30770).

CR No: 240026716-001 Written By: DBNASSERH (00677) Date: 04/24/2024 12:16 AM

H.Nasser #677

Location: 16901 Michigan Ave (Dearborn Administration Center)

Arrestee: Hassan Aoun /M

**Citation Issued:** 24DB07182 (Breach of Peace)

Chief Shahin, Ofc. Peterson, and I (Ofc. Nasser) responded to the listed location in reference to the city council meeting. While at the location for officer presence, the listed arrestee, Hassan Aoun, was called up as it was his turn to state his concerns. Aoun began playing an audio recording over the microphone. City Council president, Mike Sareini advised Aoun multiple times that he must refrain from doing same as audio recordings are not allowed. Aoun disregarded the order and continued playing the audio recording. Sareini then advised Aoun that he must leave. Aoun refused.

Chief Shahin, Ofc. Peterson, and I, approached Aoun. Chief Shahin advised him twice that he must leave the location, or he would be placed under arrest. Aoun refused to leave but turned away from officer's and placed his hands behind his back. I placed him in handcuffs (DL/TC), arresting him for breach of peace. Aoun was then escorted outside where he was searched with negative results and placed in the rear of my patrol vehicle.

Aoun was transported to the Dearborn Jail where metal detector was utilized (negative results), booking procedures were completed, and he was assigned cell #27 along with property locker #27. Aoun arrived with \$87.49 on his person. He was issued ULC 24DB07182 for breach of peace and issued a \$500 bond. Sgt. Fries advised.

A short time later, Aoun bonded out at 2200 hours (Bond receipt D42104) and his property was released back to him. Bond money was forwarded to Sgt. Fries.

(1) Except as provided in subsection (3), upon the arrest of a person for a felony or for a misdemeanor violation of state law for which the maximum possible penalty exceeds 92 days' imprisonment or a fine of \$1,000.00, or both, or a misdemeanor authorized for DNA collection under section 6(1)(b) of the DNA identification profiling system act, 1990 PA 250, MCL 28.176, or for criminal contempt under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or criminal contempt for a violation of a foreign protection order that satisfies the conditions for validity provided in section 2950i of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950i, or for a juvenile offense, other than a juvenile offense for which the maximum possible penalty does not exceed 92 days' imprisonment or a fine of \$1,000.00, or both, or for a juvenile offense that is a misdemeanor authorized for DNA collection under section 6(1)(b) of the DNA identification profiling system act, 1990 PA 250, MCL 28.176, the arresting law enforcement agency in this state shall collect the person's biometric data and forward the biometric data to the department within 72 hours after the arrest. The biometric data must be sent to the department on forms furnished by or in a manner prescribed by the department, and the department shall forward the biometric data to the director of the Federal Bureau of Investigation on forms furnished by or in a manner prescribed by the director.

(2) A law enforcement agency shall collect a person's biometric data under this subsection if the person is arrested for a misdemeanor violation of state law for which the maximum penalty is 93 days or for criminal contempt under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or criminal contempt for a violation of a foreign protection order that satisfies the conditions for validity provided in section 2950i of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950i, if the biometric data

have not previously been collected and forwarded to the department under subsection (1). A law enforcement agency shall collect a person's biometric data under this subsection if the person is arrested for a violation of a local ordinance for which the maximum possible penalty is 93 days' imprisonment and that substantially corresponds to a violation of state law that is a misdemeanor for which the maximum possible term of imprisonment is 93 days. If the person is convicted of any violation, the law enforcement agency shall collect the person's biometric data before sentencing if not previously collected. The court shall forward to the law enforcement agency a copy of the disposition of conviction, and the law enforcement agency shall forward the person's biometric data and the copy of the disposition of conviction to the department within 72 hours after receiving the disposition of conviction in the same manner as provided in subsection (1). (4) The arresting law enforcement agency may collect the biometric data of a person who is arrested for a misdemeanor punishable by imprisonment for not more than 92 days or a fine of not more than \$1,000.00, or both and who fails to produce satisfactory evidence of identification as required by section 1 of 1961 PA 44, MCL 780.581. These biometric data must be forwarded to the department immediately. Upon completion of the identification process by the department, the biometric data shall be destroyed.

(5) An arresting law enforcement agency in this state may collect the person's biometric data upon an arrest for misdemeanor other than a misdemeanor described in subsection (1), (2), or (4), and may forward the biometric data to the department.

(6) If a court orders the collection of a person's biometric data under section 11 or 18 of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.11 and 712A.18, or section 29 of chapter IV or section 1 of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 764.29 and 769.1, the law enforcement agency shall forward the biometric data and arrest card to the department.

(7) If a petition is not authorized for a juvenile accused of a juvenile offense, if a person arrested for having committed an offense for which biometric data were collected under this section is released without a charge made against him or her, or if criminal contempt proceedings are not brought or criminal charges are not made against a person arrested for criminal contempt for a personal protection order violation under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or criminal contempt for a violation of a foreign protection order that meets the requirements for validity under section 2950i of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950i, the official taking or holding the person's biometric data and arrest card shall immediately destroy the biometric data and arrest card. The law enforcement agency shall notify the department in a manner prescribed by the department that a petition was not authorized against the juvenile or that a charge was not made or that a criminal contempt proceeding was not brought against the arrested person if the juvenile's or arrested person's arrest card was forwarded to the department.

(8) If an individual is arrested for any crime and the charge or charges are dismissed before trial, both of the following apply:

(a) The arrest record shall be removed from the internet criminal history access tool (ICHAT).

(b) If the prosecutor of the case agrees at any time after the case is dismissed, or if the prosecutor of the case or the judge of the court in which the case was filed does not object within 60 days from the date an order of dismissal was entered for cases in which the order of dismissal is entered after the effective date of the amendatory act that added this subdivision, both of the following apply:

(i) The arrest record, all biometric data, and fingerprints shall be expunged or destroyed, or both, as appropriate

(ii) Any entry concerning the charge shall be removed from the LEIN.

(9) The department shall comply with the requirements listed in subsection (8) upon receipt of an appropriate order issued by the district court or the circuit court.

(10) If a juvenile is adjudicated and found not to be within the provisions of section 2(a)(1) of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.2, or if an accused is found not guilty of an offense for which biometric data were collected under this section, upon final disposition of the charge against the accused or juvenile, the biometric data and arrest card must be destroyed by the official holding those items and the clerk of the court entering the disposition shall notify the department of any finding of not guilty or nolle prosequi, if it appears that the biometric data of the accused were initially collected under this section, or of any finding that the juvenile alleged responsible for a juvenile offense is not within the provisions of section 2(a)(1) of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.2.

(11) Upon final disposition of the charge against the accused, the clerk of the court entering the disposition shall immediately advise the department of the final disposition of the arrest for which the person's biometric data were collected if a juvenile was adjudicated to have committed a juvenile offense or if the accused was convicted of an offense for which the biometric data of the accused were collected under this section or section 16a of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.16a. With regard to any adjudication or conviction, the clerk shall transmit to the department information as to any adjudication or finding of guilty or guilty but mentally ill; the plea of guilty, nolo contendere, or guilty but mentally ill; the offense of which the accused was convicted; and a summary of any deposition or sentence imposed. The summary of the sentence must include any probationary term; any minimum, maximum, or alternative term of imprisonment; the total of all fines, costs, and restitution ordered; and any modification of sentence. If the sentence is imposed under any of the following sections, the report shall so indicate:

(a) Section 7411 of the public health code, 1978 PA 368, MCL 333.7411.

(b) Section 1076(4) of the revised judicature act of 1961, 1961 PA 236, MCL 600.1076.

(c) Sections 11 to 15 of chapter II of the code of criminal procedure, 1927 PA 175, MCL 762.11 to 762.15.

(d) Section 4a of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.4a.

(e) Section 350a(4) of the Michigan penal code, 1931 PA 328, MCL 750.350a.

(f) Section 430(9)(a) of the Michigan penal code, 1931 PA 328, MCL 750.430.

(g) Section 1209(7) of the revised judicature act of 1961, 1961 PA 236, MCL 600.1209.

(12) The department shall record the disposition of each charge and shall inform the director of the Federal Bureau of Investigation of the final disposition of any arrest or offense for which a person's biometric data were collected under this section or section 16a of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.16a.

(13) The department shall compare the biometric data received with those already on file and if the department finds that the person arrested has a criminal record, the department shall immediately inform the arresting agency and prosecuting attorney of this fact.

(14) Except as provided in subsection (8), the provisions of subsection (10) that require the destruction of biometric data and the arrest card do not apply to a person who was arraigned for any of the following:

**HON. SAM SALAMEY**

**NOTICE OF HEARING REQUEST WITHOUT DELAY**

(Emergency Request – Time is of the Essence)

NOW COMES the Defendant, Hassan Aoun, in propria persona (pro se), and respectfully submits this Notice of Hearing Request Without Delay pursuant to his fundamental rights under the First, Fourth, and Fourteenth Amendments to the United States Constitution, and Michigan law. This request concerns the Defendant's Expedited Emergency Motion to Dismiss filed on July 3, 2025, which raises urgent constitutional and statutory violations.

1. Defendant's motion cites the following grounds:

- Illegal fingerprinting in violation of MCL § 28.243(13).
- Improper LEIN entry for a non-jailable municipal ordinance offense.
- Retaliation for protected speech in violation of the First Amendment.
- Unlawful prosecution without review or authorization by the Wayne County Prosecutor, in violation of *People v. Holtzman*, 234 Mich App 166 (1999);
- Violations of due process and unreasonable search and seizure under the Fourth and Fourteenth Amendments.

2.To date, no hearing has been scheduled, and no ruling has been issued on the emergency motion, despite the Defendant's immediate constitutional concerns.

3.This is an emergency. Time is of the essence. Defendant hereby demands that a court date be issued on or before July 15, 2025. Failure to do so will constitute an ongoing constitutional violation and will compel Defendant to preserve all records for immediate federal civil rights litigation under 42 U.S.C. § 1983 in the U.S. District Court.

4.The Court is respectfully reminded that Defendant is proceeding pro se and has properly served all parties. Under MCR 2.119(E), the Court has full authority to rule from the bench or issue a prompt hearing date on constitutional motions.

WHEREFORE, Defendant respectfully demands that a hearing date be issued without delay and no later than July 15, 2025, or, in the alternative, that an immediate ruling be issued on the pending motion. If the Court fails to act, Defendant will initiate federal proceedings for denial of access to the courts, due process violations, and First Amendment retaliation.

Respectfully submitted,

**EXPEDITED EMERGENCY MOTION TO DISMISS**

**BASED ON UNCONSTITUTIONAL FINGERPRINTING, ILLEGAL LEIN  
ENTRY, AND LACK OF PROSECUTORIAL AUTHORITY**

NOW COMES Defendant, Hassan Aoun, in proper person (pro se), and respectfully moves this Honorable Court on an expedited and emergency basis to immediately dismiss all above-captioned ordinance prosecutions based on newly discovered constitutional violations, unlawful fingerprinting, improper LEIN entry, and lack of prosecutorial jurisdiction, and states as follows:

**I. FACTUAL BACKGROUND**

1. Defendant was arrested on or about April 24, 2024, and charged under various municipal ordinance violations subject to a maximum penalty of 90 days under the Dearborn City Charter.

2. Defendant presented valid government-issued identification at the time of arrest.

3.Despite this, Defendant was fingerprinted and entered into the Law Enforcement Information Network (LEIN) in violation of MCL § 28.243(13), which prohibits fingerprinting for offenses punishable by 92 days or less where valid ID is provided.

4.Defendant did not know this was illegal until discovering the statutory restriction in 2025, and has since confirmed that the charges are not eligible for LEIN-based handling or criminal fingerprinting.

## **II. CONSTITUTIONAL VIOLATIONS**

5.The fingerprinting and LEIN entry constituted an unreasonable search and seizure under the Fourth Amendment to the United States Constitution.

6.These prosecutions represent targeted retaliation against Defendant's constitutionally protected speech during public comment and community involvement, violating the First Amendment.

7.Due to the improper prosecution without oversight or filing by the Wayne County Prosecutor, Defendant's right to due process under the Fourteenth Amendment has also been denied.

## **III. LACK OF PROSECUTORIAL AUTHORITY**

**8.The ordinance violations were never reviewed or filed through the Wayne County Prosecutor's Office, as required under *People v. Holtzman*, 234 Mich App 166 (1999), and *People v. Blackman*, 406 Mich 293 (1979).**

9.The City of Dearborn lacks independent authority to prosecute 90-day ordinance charges as criminal misdemeanors without a formal delegation.

10.These prosecutions are therefore procedurally defective and constitutionally invalid.

## **IV. FEDERAL ACTION PENDING**

11.Defendant has not yet filed in federal court, but hereby places this Court on notice that if these prosecutions are not dismissed in their entirety, Defendant will immediately file a civil rights lawsuit under 42 U.S.C. § 1983 and/or a removal petition under 28 U.S.C. § 1443(1) in the United States District Court for the Eastern District of Michigan.

12. Failure to dismiss these cases despite the newly discovered constitutional violations and procedural defects will constitute clear evidence of judicial bias, denial of due process, and a refusal to enforce federally protected rights. This Court's inaction will be preserved in the federal record and relied upon as grounds for immediate federal relief.

## **V. RELIEF REQUESTED**

Defendant respectfully demands that this motion be treated as an emergency and filed immediately on the public record of the 19th District Court. Failure to address the unconstitutional and unlawful actions raised herein will result in immediate removal to the United States District Court for the Eastern District of Michigan.

Defendant respectfully requests this Honorable Court to:

- Immediately dismiss all charges in the above-captioned cases; These dismissals shall be with prejudice and final, and no part of these prosecutions may be refiled, reinstated, or reopened by the City of Dearborn or any related authority.
- Strike and remove all associated LEIN and biometric data connected to the April 2024 arrests.
- Refrain from issuing any further warrants, orders, or settings pending federal review.
- Treat this motion as time-sensitive and expedited due to ongoing constitutional harm.
- Grant any other relief deemed just and proper.

To All Recipients:

This letter serves as final legal notice that you have five (5) calendar days from the date above to voluntarily and unconditionally dismiss with prejudice the retaliatory citation issued against me following the July 4, 2025 incident.

Video evidence shows that a Dearborn Police Officer directly stated:

Get inside your car or we're going to arrest you.

I immediately complied. I got into my car and left the area peacefully. Despite full and lawful compliance, a citation was later issued against me a clear act of retaliation for exercising my First Amendment rights.

This selective enforcement violates the following federal protections:

- First Amendment – Retaliation for protected speech
- Fourteenth Amendment – Due Process and Equal Protection
- 42 U.S.C. § 1983 – Civil rights enforcement
- 28 U.S.C. § 1331 – Federal question jurisdiction
- 28 U.S.C. § 1443(1) – Removal for civil rights violations under color of law

Additionally, while others in Dearborn have openly shouted “Death to America” and received no citations or arrests, I was cited for merely criticizing a public official. This is clear viewpoint discrimination, which is unconstitutional.

If this citation is not fully dismissed and permanently withdrawn within five (5) days of this notice, I will file an immediate action in the United States District Court for the Eastern District of Michigan seeking:

- A permanent injunction
- Declaratory judgment
- Full monetary damages
- Attorney’s fees (if applicable)
- Personal liability for all involved officials under 42 U.S.C. § 1983

Let this serve as your final warning. Once placed on formal notice of a constitutional violation, continued prosecution eliminates all claims to qualified immunity.

Respectfully,

Submitted

The Mayor's Office requests authorization to renew the citywide membership with the Southeast Michigan Council of Governments (SEMCOG) for the period 6/1/25 to 5/31/26. The cost of this citywide membership is \$15,602, which is \$513 higher than the FY25 cost of \$15,089.

SEMCOG serves local units of government and education in the seven-county region of Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne, and is a strong advocate with state and federal legislators. Training is provided for elected officials on a variety of topics important to the future of southeast Michigan.

Membership provides the City of Dearborn with information to aid local and regional decision making via analysis of local growth and development trends and studies on government efficiencies, government collaboration, non-motorized transportation, road safety, and storm water management, among other environmental concerns.

The membership dues for FY25 are budgeted in citywide account 101-1299-421-65.00.
