AUTHORITY: P.A. 230 OF 1972, AS AMENDED
COMPLETION: MANDATORY TO OBTAIN PERMIT
PFNAI TY: PERMIT CANNOT BE ISSUED

I affirm that the information provided in this application and any accompanying drawings, which are a part of this application, is accurate. The acceptance of the permit shall constitute an agreement to abide by all codes and ordinances enforced by the City of Dearborn. Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines. A home owner signature is an agreement to the affidavit of home owner occupancy on the reverse side.

Applicant- Contractor/ Homeowner:		☐ Electrical Contractor ☐ Homeowner (Homeowner must read Affidavit agreement on reverse side)

To facilitate permit processing, please fill out your permit application completely and note the following:

GENERAL INFORMATION

- Contractors must be licensed by the State of Michigan and registered with the City of Dearborn.
- Work shall not be started until the permit has been issued. All installations shall be in conformance with the current State of Michigan Electrical Code. No work shall be concealed until it has been inspected and approved by the Electrical Inspector.

MAIL-IN APPLICATIONS

- Mail-in applications are encouraged. Follow these easy instructions:
 - Fill out permit application completely. (When plans are required, 3 copies must be submitted with application for review)
 - When a homeowner trade permit is being applied for, the homeowner's ID (i.e. Driver's License or State ID) address MUST match the job site address. Please send a copy of ID along with the trade permit application.
 - Include a check, payable to "City of Dearborn" for the amount of your permit.
 - Minimum total fee is **\$180**; (Permit Fee is **\$80** & Administrative fee (**nonrefundable**) is **\$100**)
 - Enclose a self-addressed stamped envelope.
 - Mail to: Economic Development Department, ATTN: Permits, 16901 Michigan Ave. Ste. 7, Dearborn, MI 48126
 - For further information call 311 or email DBNinspections@dearborn.gov.**

PLAN REVIEW REQUIREMENTS

- Plans are not required for the following:
 - One and two-family dwellings containing not more than 3,500 square feet of building area.
 - Alterations and repair work determined by the electrical official to be minor in nature.
 - Work completed by a government subdivision or state agency costing less than \$15,000.
- Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act. No. 299 or Public Act of 1980, as amended, and shall bear that architect's or engineer's signature and seal. Plans shall be submitted before a permit can be issued.
- Plans and specifications must be submitted when wiring or alteration to an electrical system is over 400 amps and is in excess of 3,500 square feet in area.

HOME OWNER AFFIDAVIT

By signing this application, homeowners are certifying that the electrical work described on this permit application shall be installed by the home owner in the home in which they are occupying or intend to occupy. **All work shall be installed in accordance with the current State Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the electrical inspector.**

Homeowners also certify that they will cooperate with the Electrical Inspector and assume the responsibility to arrange for inspections and necessary repairs.

Special Note to Homeowners: Homeowners are discouraged from obtaining permits on behalf of a contractor. The City of Dearborn addresses code issues with the permit holder. The City of Dearborn cannot resolve unlicensed/ unregistered contractors work deficiencies

ELECTRICAL INSPECTIONS- PERMIT INCLUDES 1 ROUGH & 1 FINAL INSPECTION- ADDITIONAL INSPECTIONS SUBJECT TO FEES
Inspections are scheduled by calling the Automated Inspection Scheduling System at 311 or by email at DBNinspections@dearborn.gov. Please have your permit number and inspection code available.

Please call (313) 943-2115 for Fire Marshal Inspection

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing work. **A PERMIT WILL BE CANCELLED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CANCELLED PERMITS CANNOT BE REINSTATED OR REFUNDED.**

REFUNDS FOR PARTIAL INSTALLATION: If an installation is partially completed, then a permit holder, upon quitting the installation, shall notify the enforcing agency and shall request an inspection. The inspector shall record the acceptance of, or violations against, the work installed on the permit record according to the findings of the inspector. The enforcing agency shall not grant a refund to the permit holder of the permit fee covering electrical equipment installed and inspected.

The City of Dearborn will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, marital status, handicap or political beliefs.
