A. Green Schools Recommendation – Follow-up

B. Urban Forestry Plan Committee Update

C. Follow Our Waste Stream – Short Films

Follow our waste stream with short films at Landfills, Recycling Facilities, Composting Sites, Sewage Treatment Plants . . . Learn what we can do better upstream.

V. New Business

A. Dr. Donna R. Kashian, Director of Environmental Sciences & United Nation’s Regional Center of Expertise (RCE) Detroit-Windsor, Wayne State University

Wayne State University and the University of Windsor were named a United Nations Regional Center of Expertise on Education for Sustainable Development for the Detroit-Windsor region. Led in part by Dr. Donna Kashian, the RCE brings both universities together to address shared issues like climate change, water, health and economic disparities, and social inequity. Its goal is to connect research, education, and community partnerships across the border to help build a more sustainable future. Introduction of speaker by Mohamed Dabaja. (20 minutes)

B. Port of Detroit’s Environmental, Community, and Sustainability Initiatives

VI. Other Business

A. City Engineer Invite – Stormwater Mitigation
